**Subject:** Follow-up to meeting re Walmart

Good afternoon,

Thank you for taking the time to speak with us last week regarding Walmart's Chemical Policy. As discussed, I want to identify the individuals that ACC has spoken with at Walmart.

Last month, ACC met with Zach Freeze, Senior Director of Strategic Initiatives in Walmart's Sustainability Office, to clarify many of the policy's ambiguities. We also have had conversations with Ashley Hall also of the company's sustainability office.

Rick, it would be helpful to know who in Walmart you have spoken with and whether you have received any information that is inconsistent with or contradictory to the information we received as outlined in the attached document.

Thanks and best regards,  
Komal
